IDA'S 22nd Annual Youth Conference & 18th Annual Sisters' Gathering

Asalaamu alaykum. Shaykh, after listening to your talk at the 22nd Annual Youth Conference I would like to say jazakallah for such beautiful reminders for us all and especially for me. I have learnt how I should deal with all my troubles. I pray that Allah ta'ala gives me the tawfiq and my family to take heed from what you have said and Allah ta'ala gives every single person the hidayah to forgive insha'allah. I pray that Allah ta'ala gives you abundant reward and grants lots of barakah to the Academy and all the work that is carried out by yourself and all the Ulama there through the help of Allah ta'ala. I pray that may Allah ta'ala accept all your efforts. May Allah ta'ala grant you shifa and a swift recovery insha'allah. Aameen... Once again jazakumullah khayran. Please remember me and my family in your duaas. Wassalaam

Aww. I hope Shaykh is well. I would just like to say jazakallah for an awe inspiring speech. May Allah ta'ala bless Shaykh with a long and blessed life and may Allah give Shaykh the health to continue to deliver these awe inspiring lectures throughout the globe. Today, I felt like that I was sat in Masjid Nabawi. I had this same feeling four years ago in i'tikaaf.

Alhamdulillah, attending the IDA's youth conference was a very enjoyable and beneficial experience. Some very motivating, encouraging and inspirational talks, nasheeds and Quran recitation. As for the atmosphere, it was amazing. Considering the number of people that attended, it was pleasantly peaceful and excellently organised.

Asalaamu alaykum wa rahmatullahi wa barakatuh, May Allah ta'ala keep Shaykh in good health. Shaykh's speech yesterday (as per usual) was very inspiring and beneficial, rather Shaykh's speeches are unmatched and unique in this day and age. Allah ta'ala grant me the tawfiq to truly benefit and grant sincerity in this love of mine and save me from hypocrisy. Wassalaam. In need of your duaas.

Aww, I would like to congratulate Shaykh on the conference. Every year I wonder that to maintain the conference at this level will not be possible. However, the special attention of Shaykh and his duaas are with everyone; hence, the following year is always better than the previous year.

Aww. I hope that Shaykh is well. Alhamdulillah, yesterday's programme went very well. Allah grant it acceptance and grant you all the best reward and make you the means of guiding the ummah. And may Allah ta'ala accept your efforts and sacrifices.

Assalamu alaykum Shaykh, how are you? It was nice hearing you today and masha'allah it was a very fruitful speech. May Allah shower his mercy and blessing upon you and grant you a long life, illness free so that you can shadow the Muslim community of Leicester with your wisdom and knowledge. Ameen. Wasallam

Asalaamu alaykum wa rahmatullahi wa barakatuh. Honourable Shaykh. One of the highlights of the conference for me was when a small child about 10 years old from London who had come for the conference came from the back entrance and he politely asked if the volunteers would let him through the separation area to go into the atrium as he was desirous of looking at Shaykh. The innocence, charm and desire of the child prompted the volunteers to allow the boy through and he lovingly stood in the atrium and looked at Shaykh for a minute. Thereafter, he returned back to the partition area and he was very grateful that we had allowed him through as he said that one of his aims was that he gets to just look at Shaykh. May Allah enable us all the ability to truly benefit from Shaykh and value him as is his right and our duty to do so.

It was my very first time at the institute. We sat near the pillar section on ground floor. No lie, Alhumdu-lillah, I felt a deep sense of inner peace & tranquility. A very-heightened level of spirituality. I honestly cried. Then hearing the speeches etc. I was blown away, especially Shaykh's speech. I never really listened attentively to him before, but Alhumdulillah Allah has truly blessed him. Shaykh is one top top man! Insha-Allah I get opportunity to spend more time with him (and his Students). On the whole: I'll score the experience 11 out of 10.

Assalaamu 'alaykum warahmatu Allahi wa barakaatuh, Alhamdulillah travelling from Preston and attending the sisters' programme was extremely beneficial. The atmosphere in the Academy is something different and the talks were very enlightening, especially the respected Shaykh Hafizahullah. We hope and pray that Allah subhanahu wata'aalaa accepts the work of the Islamic Da'wah Academy and protects them from the evil eye. Aameen. Jazaakumu Allahu khayran.

Assalamu alaykum wa rahmatullah wa barakatuh. I hope and pray that Shaykh is well and in good health. Alhamdulillah, Allah ta'ala granted me the tawfeeq to listen to both conferences (from South Africa). By the Grace of Allah I also made a special point of making dua. Alhamdulillah, I also increased my daily recitation of the Qur'aan and completed the Qur'aan on Sunday morning on the day of the conference and was granted the tawfeeq to make dua for the conference. Masha'allah all the talks were inspiring especially Shaykh's lecture. May Allah ta'ala accept the conference immensely.

Assalamu alaikum, I attended the conference on Sunday. The conference was very beneficial jazakallah.
