*Aww. Jazakallahu khairan to you and the team for hosting the Annual Youth Conference. You all have been a great help in my youth and I'm glad to see all of you are still going. I pray to Allah this work continues till the last day.*

*Aww. Masha'Allah. Alhamdulillah. We learnt (from the conference) and enjoyed the conference. Very organised and amazing day. Subhanallah. May Allah give us the hidayat to be great Muslims, insha'allah.*

*Assalamu'alaykum warahmatullahi wabarakatuh. I hope and pray you are well, in the best health and condition. Alhamdulillah I feel I benefited very much from the Annual Youth Conference, and feel I acquired a much needed boost.*

*Aww. Hope Hadhrat is well and in good health. Alhamdulillah, by the will of Allah ta'ala and as always, Hadhrat's bayaan was very inspirational. The feedback from the youngsters I had in my coach was very positive and they are very inclined to come back again. May Allah ta'ala accept Hadhrat's efforts and accept the khidmat of all those who have helped in this conference to be successful.*

*Aww. Thanks to Hadhrat's inspirational words and advices at the Annual Youth Conference, my iman and desire for soul purification has been reinvigorated. May Allah grant Hadhrat a long life with good health. Ameen.*

*(On the day of the conference) I met someone who had served time in prison and he said to me, 'It was Riyādul Jannah that helped me get through my prison sentence.'*

*Aww. I hope respected Hadhrat is well. For a few days I have been intending to congratulate you for the success of the conference. Alhamdulillah, Hadhrat gave a very beneficial discourse giving hope and motivation to many youths.*

*Aww. After yesterday's program I feel like I have come back from hajj. Sin free, refreshed and energised to build a relationship with Allah ta'ala.*

*Aww. MashaAllah. A great program yesterday. Bunch of people around me were impressed and stunned to hear a great lecture from Shaykh. May Allah ﷻ accept all this effort and make it a means of salvation for us all. Ameen.*

*Welcome, fantastic conference Masha Allah, very well organised. Jazakallah.*

*My brother-in-law sent me his experience in the following words, ‘Hadhrat’s bayan had me in tears. It was so powerful, and even more as I was sitting closest to him. It’s at that point he looks at you and you feel like he is giving you the solutions to all the problems within.’*

*Aww. Hoping that respected Hadhrat is well. This humble one makes dua to Allah that He immensely rewards Hadhrat for yet another successful conference and also another highly inspiring talk. Hadhrat has said many things on Taqwa and Tawbah before, but there were many points that Hadhrat said yesterday which this humble one had never heard before.*

*Assalamu Alaikum, BarakAllahu feekum. Alhamdulillah, it was an amazing experience to be a part of Islamic Dawah Academy. Jazakumullah khayra to the whole team for such tremendous efforts to organise the 24th Youth Conference. What a noble endeavour Masha’Allah! The event was extremely well organised. From the first speaker till the last and the presenters in between, everyone had so much to offer and made us rediscover our sense of purpose. Jazakumullah khayr it was such an amazing and productive session. We hope we can keep the spirit alive and well into the future as well, Ameen. It was the first ever conference attended by few of our youths (from the Sri Lankan community, Bolton). Jazakumullah khayra for making us part of this beautiful journey.*

*Aww. Hadhrat, pray you’re well. My 13 year old son attended the program last week for the first time. MashaAllah. The first thing he said was that he can’t wait for next year. May Allah accept you abundantly. Ameen.*

*Aww. Beloved Hadhrat. Alhamdulillah we benefitted greatly from the conference and the people on the coach also mentioned that they were impressed. Allah accept the conference. Ameen.*

*Assalaamu ‘alaykum warahmatullaahi wabarakaatuh. Congratulations on a very successful program by the grace of Allah.*

*Aww. I hope respected Hadhrat is well through the fadhl of Allah ta’aala. Alhumdulillah I was fortunate to listen to the AYC lecture (over the internet in South Africa). I found it very beneficial...Allah ta’aala keep Hadhrat’s shade over us for a very long time.*

*Aww. Allah reward Shaykh and give health and long age. MashaAllah very comprehensive bayan targeting youth with their desires and (discussing) Allah’s mercy with so many Quranic verses. Never realised how 1h 50 mins went so fast. All listened carefully...We discussed about repeated repentance. MashaAllah well explained. We never heard this before in such a nice way.*
